**work is promote to individual of and support to fight
well-being and social community injustice the mission
social and**

.....

.....

Check your answer (1.50 – 2.00)

7. Complete the text.

interventions connections understand break community tangle

Social workers learn how see and the invisible inner
.....between people, and their families, and their
neighborhood, and their, and society, and law,
and policies. And we know that when those connections
..... or at any of those levels,
problems happen. So we learn evidence based that
can help solve the problems around those tangles and breaks.

Check your answer (2.00- 2.30)
