

Watch the clip where 6 students say why they major in Sociology

www.youtube.com/watch?v=CXnRZx9f1Mo

1. Find Polish equivalents to the English phrases:

a sociology major, look further into things in our everyday life, examine a topic from different angles, interact with different groups of people, give a good perspective about what society means, the way society works

2. Note at least one reason why each student majors in Sociology and using the expressions from ex.1 write a paragraph about your reasons to become a sociologist
