European Commission

Directorate-General for Research and Innovation

Declaration of Commitment to the Principles of the European Commission's Recommendations "The European Charter for Researchers" and "The Code of Conduct for Recruitment of Researchers"

It is our pleasure to communicate that the University of Rzeszow, represented by Rector Professor Sylwester Czopek, welcomes and fully supports the Recommendation of the European Commission 2005/251/EC "The European Charter for Researchers" and "The Code of Conduct for the Recruitment of Researchers."

By supporting The European Charter for Researchers and The Code of Conduct for the Recruitment of Researchers, the University of Rzeszow recognizes the value of their principles and confirms its intention to apply them. We declare our commitment to implement these principles in our Human Resources policies and to raise awareness of these rules among our employees and researchers.

Through the implementation of The European Charter for Researchers and The Code of Conduct for the Recruitment of Researchers, University of Rzeszow will continue to support international cooperation and will become an open and attractive workplace for researchers.
