* The fee will apply once authorization to conduct the programme has been obtained.

** The amount of fees for the entire cycle of education for citizens of the European Union, the European Economic Area and Switzerland.

***The amount of fees for the entire cycle of education for citizens **from outside** the European Union, the European Economic Area and Switzerland.

- Fees for educational services**, calculated on the basis of the cost of one hour of teaching classes, are charged to students who are Polish citizens as well as to foreign students.
- A fee is established for repeating specific teaching classes** due to unsatisfactory academic results, in an amount calculated as follows: *number of hours of a given subject/education module × cost of one hour of teaching classes*.
- A fee is established for conducting classes not included in the study program**, including in particular an additional course module or an additional specialization, in an amount calculated as follows: *number of hours of a given education module/specialization × cost of one hour of teaching classes*. At the request of the Dean, a different fee amount may be determined on the basis of a cost calculation for the given service.
- Classes not included in the study program** may include additional foreign language classes beyond the mandatory language course, for which the fee is PLN 12.85 / €3 per hour.
- The fee for conducting the procedure for the recognition of prior learning outcomes shall be determined** in an amount calculated as follows: *number of hours of a given subject/education module × cost of one hour of teaching classes × 20%*.
