- Fees for educational services** specified in this Appendix are charged to students, Polish citizens and foreigners.
- A fee for repeating specific classes** due to unsatisfactory learning results is determined in the amount resulting from the calculation: *number of hours of a given subject/module of education x the cost of one hour of didactic classes*.
- The fee for classes not included in the study programme is determined**, including in particular an additional module of classes or an additional specialty in the amount resulting from the conversion: *number of hours of a given module/specialty x the cost of one hour of didactic classes*. At the request of the Dean, a different amount of the fee may be determined on the basis of the calculation of the costs of a given service.
- Classes not included in the study programme** may include additional classes in a foreign language, for which the fee is PLN 12.85 per hour, carried out outside the compulsory language course.
- The fee for carrying out the procedure of confirming learning outcomes is determined** in the amount resulting from the conversion: *number of hours of a given subject/module of education x cost of one hour of teaching classes x 20%*. Detailed rules for the procedure of confirming learning outcomes are specified in a separate Rector's Ordinance.
