

Translation from Polish

Majors - MEDICINE (studies are conducted in English - paid studies)

Level - 6-year uniform studies for the equivalent of a master's degree

Form - regular

Educational profile - general academic

1. The obligatory subject considered in the enrollment procedure, Biology, the written part of the matriculation examination at the advanced level
2. The additional subject considered in the recruitment procedure, Chemistry or Physics / Physics with Astronomy or Mathematics, one of the subjects indicated by the candidate, the written part of the matriculation examination at the advanced level

extended level 1% = 2 points

3. Persons who obtained at least 80 ranking points for each item required in the recruitment procedure may apply for admission to the studies in medicine.
4. Candidates for the medical course taught in English are required to submit an appropriately certified document** confirming their knowledge of English at a minimum level of B2 or the result of a written English matriculation examination at an advanced level (at least 80%) or, in the case of candidates with the "old matura exam", at least the good grade in the secondary school-leaving examination or a document confirming the completion of a secondary school or studies conducted abroad or in Poland, where the language of instruction was English.
5. Candidates for medical studies taught in English participate in an interview in English aimed at checking their knowledge of specialized vocabulary in the field of subjects taken into account in the recruitment procedure and elementary medical vocabulary, as well as assessing their motivation to study medicine. The interview is conducted at the office of the Recruitment Team.
6. If the number of candidates makes it impossible to conduct the interview, the knowledge of the specialist vocabulary mentioned above may be checked in the form of a written test. In justified cases concerning foreigners, it is possible to conduct the interview with the use of Internet messengers. The chairperson of the Central Recruitment Board decides whether or not a candidate is to be admitted to the online interview.
