** The amount of fees for the entire education cycle for citizens from outside the European Union, the European Economic Area and Switzerland.

*** The program will be launched provided that the curriculum is finalized.

1. A fee is determined for repeating certain educational classes due to unsatisfactory academic results, in the amount resulting from the calculation: *the number of hours of the given subject/module x tuition cost per hour.*
2. A fee is determined for conducting classes not included in the standard study program, including, in particular, additional modules or specializations, in the amount resulting from the calculation: *the number of hours of the given module/specialization x tuition cost per hour.*
At the request of the Dean, a different fee amount may be determined based on the cost calculation of the given educational service.
